1. TREASURER'S REPORT : In good standing for start. One more smart board purchased at \$7000. iPads- started out with 6 from district. Plan to purchase 30 for entire school. Will be locked up like laptops, and checked out at class level.

Skating party- there will be no presale this year for roller skating party. The cost is significantly less- \$3.00 at door. If cost not high enough, and end up losing money, will raise price next party.

Percentage of sales night: Agree since there is no longer Cold Stone at that location, may no longer be worth it at this point for a fundraiser. We will come up with a replacement later in the year.

Tshirts for jogathon will be covered.

With any extra funds, we may be able to provide pizza for end of the year.

Also, will ask for wish list from teachers, possibly whatever district no longer offers that they are in need of for the classrooms.

With extra funds, also looking into Excel math program - \$1600.

Will re-evaluate needs/funds throughout the year.

2. MEETING DATES/TIMES – General session meeting changes: Oct 19 7:00 pm and Dec 6 following executive board meeting. – Holiday coffee.
